* We thank the above indicated restaurants for their recent efforts to increase the accessibility of their establishments.

DASH evaluated the accessibility of many local restaurants. This brochure lists restaurants found to be generally accessible and "Disability Friendly." Restaurant fare, ambiance and expense were not considered. Not all restaurants were evaluated. DASH will gladly evaluate other restaurants.

DASH is a community advocacy project of the Olympic Area Agency on Aging in partnership with the Washington State Department of Health, with funding from the Centers for Disease Control & Prevention. This brochure was produced and paid for by the DASH Project with funding from CDC Cooperative Agreement no. U59/CCU006992-11. The contents of this brochure do not necessarily represent the official views of the CDC.

DASH – Disability Awareness Starts Here! - is an organization of people with and without disabilities who believe that a disability does not lessen a person's worth, and that education and advocacy are key to improving community access for people with disabilities. We share a commitment to total accessibility and to achieving a community environment in which people with disabilities have opportunities to participate in every aspect of community life equal to those of people without disabilities.
